

TRAFFIC DELINEATOR POST

DESCRIPTION:

Warning chain post are perfect for emergency personnel and driveway caution sign. Block off areas for the parking lot, sideways, or any public areas to prevent the car from being scratched. Create caution areas in your driveway or marks off safe places for kids to play in the driveway or street..

The traffic delineator post cones are made of impact resistant polyethylene. UV resistant and waterproof, the portable parking pole barrier can be used for a long time in hot sun or humid weather without fading.

ADDITIONAL FEATURE:

Water can be added in the base to add extra weight for the barrier.

MODEL: TS899

MODEL NO	TS 899
MATERIAL POLE TOP	PE POLYETHYLENE
MATERIAL POLE BASE	PE POLYETHYLENE
HEIGHT WITH BASE	900 mm
BASE	45 MM
REFLECTIVE	3 REFLECTIVE STRIPS
PACKING	10 SETS / CTN
COLOR	RED / BLACK & YELLOW
ORIGIN	CHINA
HS CODE	85309000
